Let's recap!So far Tobias met up with his friends,Team Rocket stole half his amazing power and changed Tobias into a pokemon....what happened to the others?Were they the frightened pokemon the pidgey talked about?Well get ready cause here come the answers!

Tobias had been walking for 10 minutes now normally he would have reached his destination by now except for the fact that Team Rocket had managed to nab part of his powers and use them against h and his friends.Tobias started hearing what he sought long before he saw it..this is what he heard "Wake up Ash this is only a bad dream, only a bad dream,only a dream."Soon Tobias came across the source of the noise of course Tobias's fears were confirmed because it was the frightened pikachu that was chanting them."Ash??",asked Tobias."Tobias???Where are you??",said Ash. Tobias slowly stepped out from behind the tree he been hiding behind ,"I'm right here", said Tobias letting out a sigh. "You too???",said Ash."Yes...it happened to me too" ,said Tobias glumly."Where are the others?", Ash asked."I don't really know", said Tobias."Follow me downstream Ash some of my pokemon went looking for Brock and Misty.The best thing we can do is wait at the spot where we said we'd meet up again later" , said Tobias.As the two friends walked downstream to the spot they were at least happy with the thought that their group might be whole once again.When they reached the rendezous point they just sat down and waited.Their waiting didn't last long.Growlithe came running up with a charmader on its back that seemed to be having the time of its life.Growlithe came to a stop in front of Tobias and let it's passenger off."Good job Growlithe.. when we head back to the clearing I'll get in my pack and look for you some of that specialized food.Did your passenger talk any?",asked Tobias.Gorlithe replied, "Once..he said something about bumbling Team Rocket has done it again." Ash turned to the charamander , "Brock???" , Ash slowly asked

,"is that you??" "Yes...those stupid Rockets!!!!!!!Look what they did!!When I get my hands on them....", Growlithe pinned Brock to the ground before he could say another word."Calm down Brock..angers not gonna get us anywhere", said Tobias.Clefable come flying in a terrified eeve clinging to it's shoulders, "Please don't go down so fast..!!I'm afraid of heights!!" ,yelled the eeve."Misty!", cried out Brock,Ash,and Tobias overjoyed at seeing their friend again.Clefable lands gentlely on the ground and Misty hops off hurriedly.After a brief exchange of conversation they all walk back towards the clearing.Misty came into their view first."Psy-yi-i!!",Pysduck rushed forward somehow knowing it was Misty.Togepei follows Psyduck.Next to come into view was Brock.Brock's pokemon knew it was him because Tobias's growlithe had run ahead and told them.Brock's pokemon let him come to them and then they began to rapidly converse.Ash was one of the last to come into view pikachu and Ash's bond was so great that pikachu knew him instantly and ran joyfully towards him with Ash's cap atop his head.Finally a tired Tobias came into view.He crossed the clearing and went behind the tree to his backpack to get what he had promised growlithe.While rumageing through he found his pokedex and a screwdriver.He smiled beacuse he had a plan.
